

# Instructions for Poster Session

A poster session will be organized during the *12th Mediterranean Endo-Gynecological Surgery Congress* and will be reserved for **residents** and **young specialists**.

Posters will be exhibited throughout the entire congress in a **designated area** at the meeting venue.

The submitting author of each accepted poster will be granted **free registration** to the congress.

The best contribution will be **awarded** during the congress.

## General Information

- Posters should follow the **official template**, available at the following link:  
[🌐 12th Mediterranean Endo-Gynaecological Surgery Congress](#)
- Posters must be submitted by **email** to [gynecologia@arnasgaribaldi.it](mailto:gynecologia@arnasgaribaldi.it). The subject line should read: "Poster Submission – 12th Mediterranean Endo-Gynecological Surgery Congress".
- Posters must be written in **English**.
- Allowed format: **PowerPoint** (50×90 cm, portrait orientation), 1 slide only.
- Videos and sound are not allowed.
- Word limit for the poster text: maximum **300 words** (excluding title, authors, affiliations, and references).
- Posters should be structured into the following **sections**: Background – Methods – Results – Conclusions – References.
- **Title**: Use sentence case (no ALL CAPS).
- **Author listing**: Use the format "First name Last name".
  - Maximum number of authors: **6**.
  - If an author submits **more than one poster**, only one meeting the criteria will be selected by the Scientific Committee.
  - All authors should list their **affiliation** numbered in superscript.
- **Body**: Avoid using capital letters throughout the text.
- **References**: Provide **3-4** in AMA style, listed in alphabetical order.
- Abbreviations must be spelled out at first mention.
- **Previously published or presented material** will not be accepted.
- The authors are required to bring a **printed** color poster to the congress venue. The poster must have the following dimensions: **50 × 90 cm (portrait orientation)**. Authors are responsible for displaying their poster in the designated poster area.

## Images and Tables

- **Images**: Must be high-resolution (minimum 300 dpi).
- Each **figure/table** must be numbered (e.g., Table 1, Figure 1) and titled concisely.

## Consent and Ethics

Written informed consent and/or ethics committee approval must be obtained when applicable.

## Accepted Topics

Submissions will be accepted only for the following topics:

- Endometriosis
- Gynecological oncology
- Fertility (ultrasound, hysteroscopy, fertility-sparing surgery, assisted reproductive technologies – ART)

## Deadline

The submission deadline is **15th September 2026**.

Posters will be selected by the Scientific Committee. Submitting authors will be notified of acceptance or rejection via email by **20th September 2026**.
